Ah!
Itou-senpai!
Eh? To the park?
You're not going to Toyama park?
I've been looking for you
Ah! Ageha-san's photo shoot!
But what about my next class
Moreover, from what I heard last night, she enjoyed the shoot and there weren't any problems.
Ah Ageha-san doesn't want me to go because she's embarrassed
You're awful!
Eh? Eh?! But...
Didn't she do it for your sake?
Didn't Ageha-san accept the model job because of Tsutomu-san?

That's just a coverup!
You see,
because you got that PC, she wanted to appear happy
She didn't tell you because of that mood.
Although she told you not to go, I'm sure she wants your encouragement!
.....
Eh?
Please be more reliable...
Being a guy, shouldn't you understand this...
Whs?
Good grief!
All guys are the same!!
Aya-chan?

A FOOTRACE

Move the reflector to the right!
I said right!!
Okay, I'm taking the shot!
Smile sweetly!

Take a break!!

Erm... We're taking a break for now
Yea... This isn't good though
Her expression is too stiff.
It's cold isn't it... And we're taking photos of autumn clothing in this season
No... That's not what it is
What should we do?

I bought the whiskey
Oh, thank you...
Mix it with black tea
It tastes quite good with lots of sugar
With who's key
Emm?
Ah well...
I'll leave it to you
How's it going?
.....
It's cold
It's cold
Tsutomu-kun...
He didn't come to see me...
He probably still has classes.
Although, I told him not to come...
How about a hot cup of tea?
I'll take it...

Do you dislike me?
As I thought, the pictures in the previous magazine had better expressions
And to think I was asked to take these pictures. It's a pity they're not of good quality
……
You're so straightforward!
Well, it can't be helped since we just met
Please bear with me for a little longer.
……
I don't like you
at all.
Tastes weird
Did you hear what Miss Sayama said just now!?
That's just too bad though.
Ah! But…

Sayama-San!
?
Even her?

I'll be counting on you for the next part too!
The whole crew as well!

That's why,
I have a proposition

I'm troubled.
It's hard to work with you.

I won't depend on you for the next shot.

If I said that taking photos of you is difficult,
I won't have any place to stand.

I need you to move around for the next shots.
Over there!
I want to take shots of you running around the park.
You will have to try and escape, keeping me from taking any pictures of you.

I'm a professional. I will definitely take a picture of you.
Well, I guess it's hard for you to run, being 30 years old and all
You don't think you can get away?
Eh?
……

Fine I won't…
let you take a single picture of me!!

Yes, she fell for it!

Are you ready?
From now on-wards, for 1 hour...
you'll have to escape into the park
Yes!
Then, begin!!
Whenever you are!!
I've already gotten a picture
D-
Damn it!!
?
Ah!!
If it's like this!

O-Ouch
Uwa?!
Ah?! This is bad
My picture will get taken
Doh?!
Serves you right!!
You!!
You're old. Old!!

He's so obstinate.
Sigh...
He's catching up to...
me...
Run.
Run!
Run!!
Yes, Agehat...
That's good!

Ah... Running like this.
My mind is going blank.
What is this...
Under the sky...
Ah, I'm already breathing so heavily...
Ahh...
What...
What-ever.
Ikon

Anything is fine!!
That's the expression!
Ouch!
After such a long time
Moving around like this...
The cold air...
Feels good...

Ah... This feels good
This really had me worried
Damn!!

Did you manage to take any good pictures...?
Didn't I say I was a pro?

You pretend to be an adult while keeping your feelings of insecurity and unsatisfaction bottled up
You've got to be aware, and also release your stress regularly
You know... You...

The ability to manage stress.
Isn't that part of being an adult?
Find yourself someone to complain to,
or deliberately exercise.
Like this.

Tsutomu-kun!!
You came!

Anyway, good work this time...
If you still want any advice from me...
Ah!!
しゅぼ!

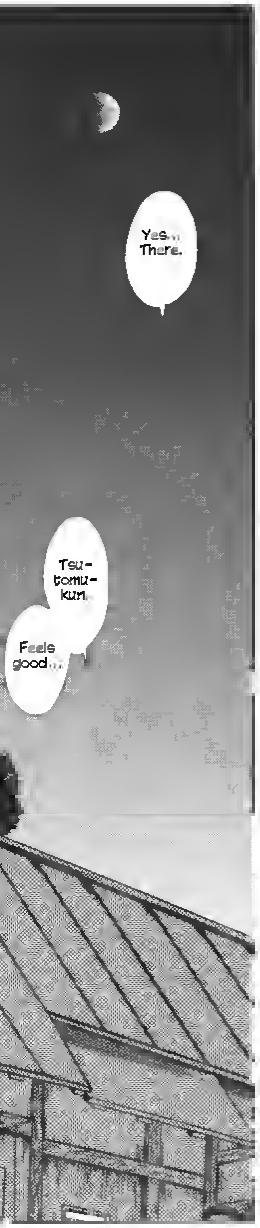
Didn't I tell you?
Her boy-friend?



Yes... There.
Tsu-tomu-kun.
Feels good...

I want to do it again if there is another chance!

Will there be a second time?
No... She already said she doesn't want to be a model.

Thank you for your hard work
And, to have such a tiring scene—
I'm beat...

Ah!
I never would have thought that I'd have to run for a photoshoot
Ah!!
Here?
That stupid bearded man said I was 30 years old!
E-Erm... Ageha-san?
Mmh!
Erm...
I don't know why he had to round my age up
ぐっ!

Erm...

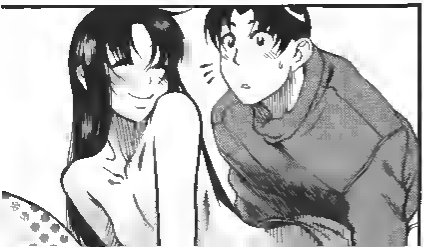
What's wrong?
Ah!

I'm a little...
Jealous

Ageha-san is doing such a thing with some guy whom she doesn't know.

Giving him such a smile...



Recently I've been selfish
I can't stop thinking about how you feel.
That is why... I'm reaping what I sow.

Hug me...
If you hug me through-out the night
I'll let you do it
Okay.

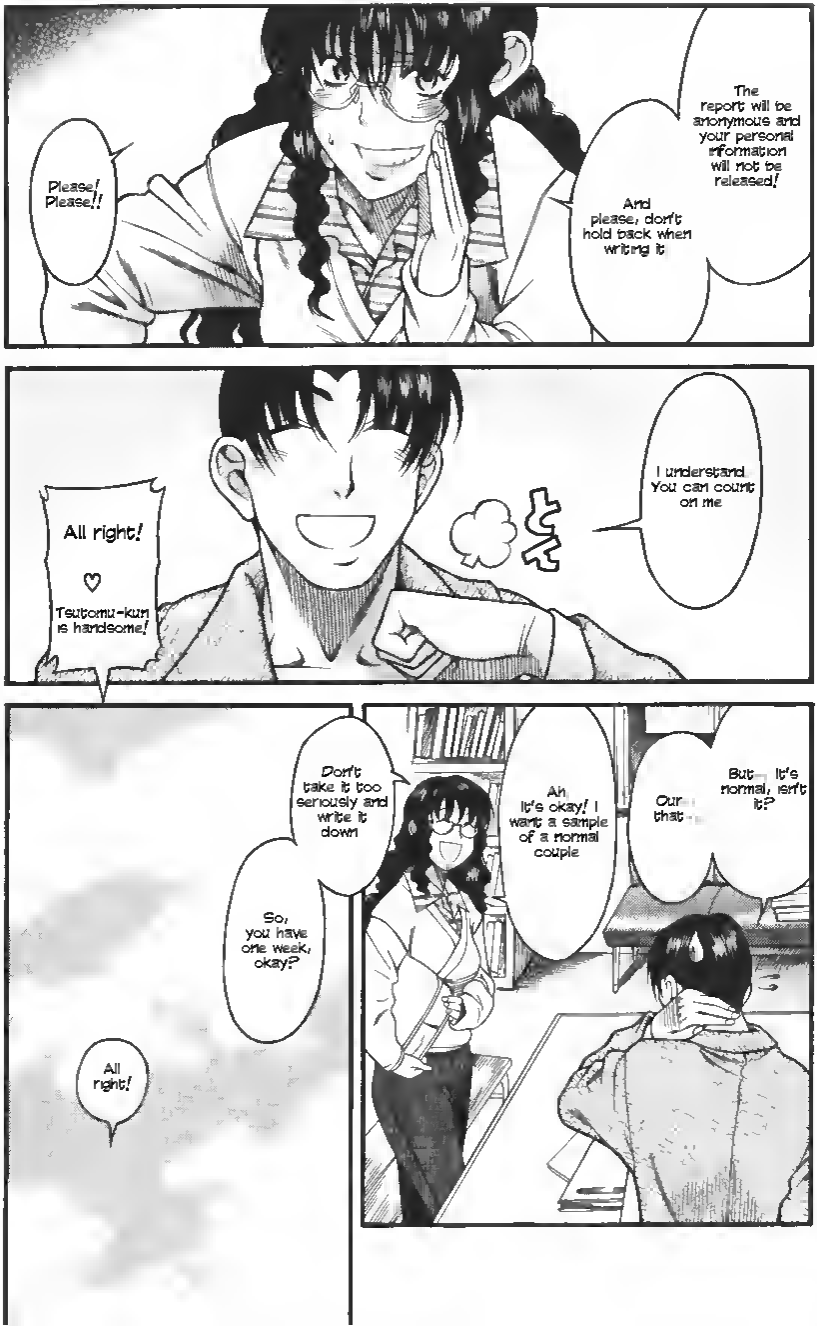
I'm begging you!
Please help me, Tsutomu -kun!
I need to gather information for a friend's thesis about young adults' sex lives after the second world war,
as well as samples from the present day.
Don't worry, Asa-sempai
I'll help you with this report
I'm REALLY grateful!
♡
You're probably the only one in our club who has
a sex life.



Please! Please!!
And please, don't hold back when writing it
The report will be anonymous and your personal information will not be released!
I understand You can count on me
All right!
Tsutomu-kun is handsome!
All right!
So, you have one week, okay?
Don't take it too seriously and write it down
Ah It's okay! I want a sample of a normal couple
But... It's normal, isn't it?

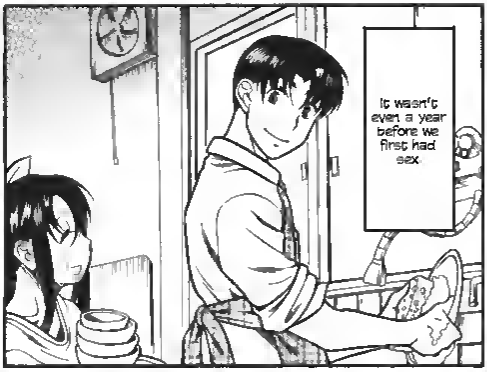
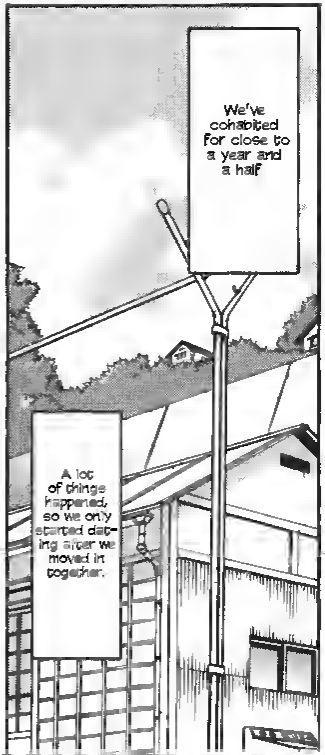
A sex life report

I'm here!
I brought a gift.
Have you made any progress with your thesis?
You pulled an all-nighter?
Well, I did make a little progress.
Reading this report...
Ah... Geez!
It's too shallow, just read it!
Eh?
Ah... Okay...

Tsutomu-kun's report?
Hmm, isn't this...
I'm 22 years old, a 3rd year university student
She's 27 years old, a 2nd year university student. I got to know her through my club



It wasn't even a year before we first had sex.



We've cohabited for close to a year and a half
A lot of things happened, so we only started dating after we moved in together.

Our sex life was also irregular.
Having lived with our families before moving in together, we were very busy.

The past few Friday nights have been rather calm.
We didn't have any part-time jobs or classes during the evening.
Tsutomu-kun. ♡
Shall we sleep together?
We didn't try to tempt one another...
It just felt natural for us to sleep together every Friday night.
It's from the library... I have to return it tomorrow
Hmm
What are you reading?

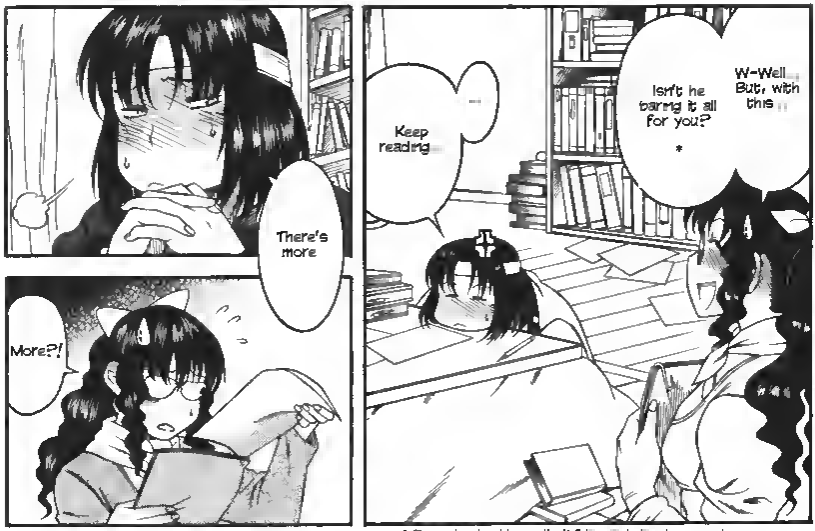
Ah... sorry
It's okay...
Hey, Tsutomu-kun?
Can we... kiss?
Erm...
Sure.
Hee-hee ♡

Approximately 1 to 2 hours...
The duration of our intimacy is uncertain

There was also one night when we did it continuously...
I didn't even last for 30 minutes
Wait, Ageina-san!!
Ah! ♡
Hee-hee! Leave this to onee-san!! ♡
Kissing and embracing are the only times we don't use protection.

We go to a love hotel at least once a month,
though we mostly do it at home...
Seems like Tsutomu-kun should conceal more...
Well... He wrote everything truthfully...
Very much so...
Recently, we seem to fall asleep after only doing it once



* The word used could mean "truthful" or "naked," a play on words

I'm not angry!
You're angry!
I'm not angry!!
You're angry!!
We call it "Reconciliation H"
However... We do H stuff even when it's not Friday

It's your fault!!
It's because you left the power on and left...
We were fighting over such a trivial matter and refusing to be honest with each other
Even so, you shouldn't have unplugged the power cord!!
I don't know what happened to the power...
It's good though! Tsutomu-kun's getting along too well with the computer!
As for the possibility of reconciling by doing H stuff...
When we're both sulking or on days before her period...
At those times, I'll surprise her
We've never decided on how many times we should do it in a week
For example, last week...

I'll forgive you...
if you kiss me.
On that friday,
I came three times.

Aah?!
Wa?!
If you do that!!
Then I can't reach!
You're younger than me,
but you're making fun of me!!
Ah
Ah♡

For Friday's sex, I usually let her lead,
seeing as she's older.
But, for make-up sex, I'll be the one who takes the initiative.
Mm♡
We should-n't... Tsu-tomu-kun.
?
N?!
N...

Make-up sex can't wait til night falls
W-Wait, isn't it still afternoon?
What if someone comes...
If we didn't make up right away, there could be adverse side effects in the future.
Without even deciding on a location.
I wanted to try doing it outdoors at least once.
Try to escape
Aaah!!
Idiot!
Let go!!
Tsutomu!! You!
ぐっ!

Ahh!

But then, the objective of make-up sex is to reconcile
My complete victory♪
This is rare
If it can be achieved by just kissing and caressing...
There's still many things I haven't done
I'm just joking, Ageha-san
As long as one reaches climax...
I'm not angry at all
After that's said, the next step I should take is...
I'm sorry about that...
a little
It's fine...

Well... Not yet...
In another 5 hours...
It's already 6 now. It should be done before the day is over
We can't do anything about the lost data!
Sorry... Did you lose the notes from yesterday?
I'm mature too...
I see...
That's a relief...
Hey! Ageha-san!
Wa?
It's all because Tsutomu-kun started the make-up sex!!
Ah--?! I had a compulsory subject this afternoon!

.....

Why are you apologizing, Asai?
Sorry...

[CASE.25 おわり]

Job for a professional

My...
...breasts seem to have gotten bigger.

Oh-
They are still growing.
Well, good for you.

Eh?!
You're only wearing sports bras, Aya-chan?!
T-There's nothing I can do about it!!

It's not good!
It's because I'm bloated ..
...not growing.

Also my bras won't fit anymore
What kind do you wear?

You have to try many kinds before buying!!
Your breasts will be squashed!
You should go to a specialty shop.
B-But, I'm too embarrassed. .
That won't do!!
...to go alone.
Then...
What if I go with you? To the lingerie store.
Really?! I'll go! ♡
Hashida, your mouth is wide open...
Ah! Would it be okay if I came along?
To the lingerie store!
Sure!
Why don't we all go together.
Sounds like fun!
Tomorrow then. .
Ah?!

It'll be more fun if everyone goes!
Let's go!
All right...

A-Ageha-san, do you...

I... don't really need a bra.

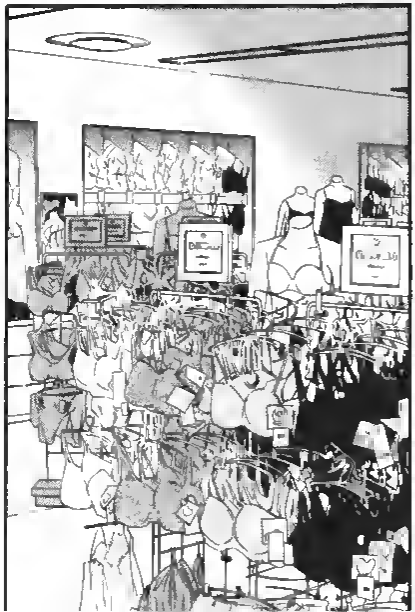
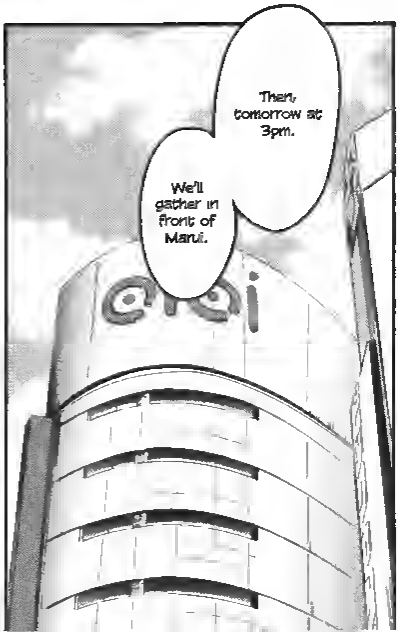
I wonder what kind of underwear Aya-chan will buy?





Then, tomorrow at 3pm.
We'll gather in front of Maru.

I'm extremely sorry.
It's fine..
H-Hey..
That means it really is her first time buying a bra. I have to apologize...
Eh?! 27?
Erm...
Don't worry, Miss!
We've just received a shipment of newly developed bras
It's fine... It's impossible anyway.
I don't have any cleavage anyway.
There's no need for a bra in the first place.
It's fine.

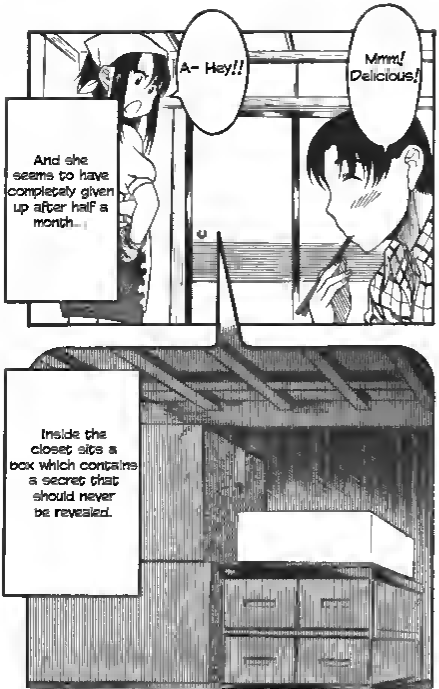
I need the help of a professional...
Ageha-san?
Erm... Ageha-san?



A- Hey!!
Mmm! Delicious!
And she seems to have completely given up after half a month...
Inside the closet sits a box which contains a secret that should never be revealed.

Here you go. Meat and potato stew.
With beef!
After that, Ageha-san stayed in the bath for quite a while.
She's hiding something from me and trying to overcome it herself.

Would you like to meet this coming Friday?
Yeah. ♡
Friend from your senior high school?
Osanai Nobuko-san has the same surname as you.

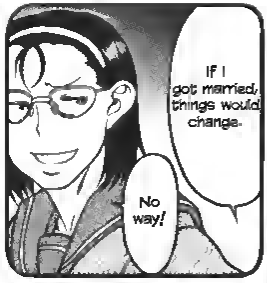
Aren't you exaggerating a little?
But...

Memories and sentiments like running in a muddy stream...
I was surprised when I saw you at the station.
Ageha looks the same even now...

Tiny
Huge
It was confusing having two people with the same surname, "Osanai."
so they called me Deka Osa,
and you were Chibi Osa!
Hey!! Stop calling me chibi!
That brings back memories too.
Speaking of which, did you continue to attend senior high school?
No...
Everything is quite different now. You can't get onto the roof anymore.
Don't you remember? We used to watch the stars from there.
We would have hot pot when it was freezing

Everyone would only bring white cabbage.
That's right! It was always white cabbage!!
We were idiots...



If I got married, things would change.
No way!

Eh...
A-Ageha,
Um. Well... Do you have someone in mind?

I... thought that I would look more like an adult if I wore a uniform.
But, it totally...

I want to get married...
What, Chibi Osa?

I wonder who that might be...
But, he's someone I admire.
Is it... Y-Yamada?
Not him!!
He's just a kid who keeps calling me chibi!!
That Youko is now a mother of two.
Oh!! ♡
A woman can survive alone!
I think marriage is an annoyance

I have no interest in him at all.

Don't call me chibi!
But you're Chibi Oss, aren't you?
Hey!!
Because Chibi Oss is still a child.

When Chibi Oss talked about marriage ..
We were shocked.
In fact... We yearned to be loved.
We were just immature.
That's why...
We were kids back then.
Those were happy times.

Yeah...
Well...
Three years ago... He had a weak body... So...
Erm.
How is your husband?

and I'd always longed for it.
That's why...

In the end, that man didn't fall in love with me.
But...
To be able to live in a dream...
I always seemed to be living in a dream.
Just like a girl in a shoujo manga
I didn't need anything else.
Everyone in the Shimizu family treated me well
How about now?

Ah...
I would like to live that kind of life again.
But studying can be fun.
A student's life is rather interesting...
I wanted to share my happiness when I was in high school. ♡
Sounds wonderful.
So you're living with that guy, right?
Going to remarry?
I-I'm not sure about that...
Tsutomu-kun is still a student
Well, really...
I don't think about that.

I...

Wow! Congrats! ♡

Yamada liked Chibi Osa,
but you got married.
Ummm.
So, I comforted him at my place...

Or,

I'm feeling a little uneasy now.
Whether it's marriage... Kids...
Resigning from work, his income, there's really a lot...
Recently... I've been thinking about Chibi Osa.
How you have been doing...

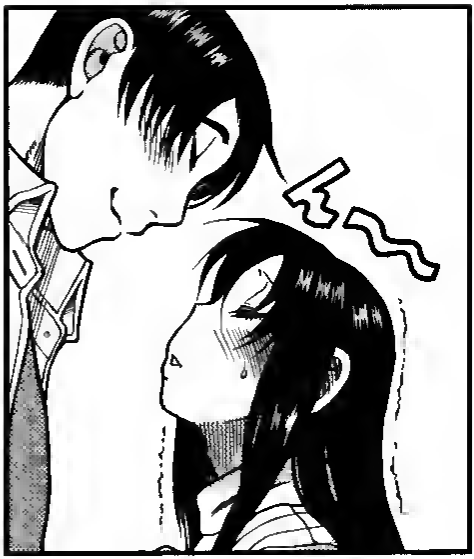
Tale of a summer beach



ザァァ・・・
Hello, I'm Itou Tsutomu.
Currently a 4th year university student. Reason being, I didn't accumulate enough credits.
Because of my hard work these past 2 years,
I was able to make up quite a bit.
If I keep it up, I will be able to get full credits, and graduation next year won't just be a dream.
Erm...
I've reached my goal... So, starting this summer, I'll be job hunting.
Will you be all right?
Yeah. Just go... and enjoy the dive.

This person is...
my older girlfriend, Ageha-san.
It seems like her body isn't in good condition today...
I'm just a little trainsick.
Sorry...
Do you feel uncomfortable here?
Maybe it's the heat?
Hey, Tsutomu-kun
You don't have to stay here with me.
Before you get busy job hunting...
go enjoy yourself, since you came all the way here.

Ah!
Shall we?
Before my hands get full...
We came here to enjoy ourselves, just the two of us.
It means nothing if Ageha-san isn't with me!
Let's go back!
Kyaa!?

Do you dislike it?
Wait! Wait, Tsutomu-kun...
Yes?
Erm... Everyone is looking...
Well...
I... don't... hate it... ♡

Is the towel in the bag?
Yeah... I'll be all right
You go swimming...

CASE. 29
Aya-chan's love [Part one]

President Hayashi and Vice-President Asai graduated from university this spring.
The children's literature research society had a change of leadership after a long time.
I, a 3rd year, became the Vice-President
Did you kiss Aya-chan?
SMOOCH!
Did you?
The President is a 2nd year, Hashida-kun.
I-I didn't!!
Eh? Hashida-kun and Aya-chan are dating?
Mizawa-san was at the scene when they were out on a date
Hashida-kun, what kind of date was it?
Morino-san has already found a job through relatives.
She only has to wait to graduate next spring.
Well... That's...
Didn't you just go on a date?
That look of yours.
Fuka Mizawa-san has graduated... Currently jobless...
W-Well...
I guess you can't resist with that kind of mood.

About the date, we went to the public pool in the morning.
She swam about 2 km.
Later, she had a large meal at the usual place near the university.
She also bought stuff like dumbbells and protein shakes before returning home.
We try to watch movies once in a while, but Aya-chan always falls asleep...
Different interests...
Also,
she always treats me like I'm younger than her.
Eh? Aren't both of you the same age?

Aya-chan was born four days earlier
She's being unreasonable just because of that!
Whether it's harvesting vegetables or brushing teeth,
She looks down on me when she scolds me...
Even so, she has some kind of weird logic...
So, it's impossible with that kind of mood...
I wonder who influenced her?
Ah, painful...
All right!!
Hashida!! Let's have a strategy meeting!
Eh?
Wait!! I have a club meeting now...
Chuu! ♡ To get you two to kiss! CHUUUU! ♡
Hey?! Senpai!!
Me? Okay.
Don't worry, don't worry!
Come along, Ageha-chan!!

What's up!!
ガチャ!
Hashida-kun... I wonder if he'll be all right?
Yeah...
Ha!
Eh? Isn't there a meeting today?
Where's the Pree-ident?
Waa...
Strategy meeting? What, that's...
I have to go to another company in the neighbour-hood now...
I need to fill the entry sheet as well...
Anyway, is this all right, Senpai?
Don't you need to submit a story?
ヒヒッ

Now then...
Heartless Tsutomu is not coming...
Itou-senpai is busy with his job hunt...
My load of worries seems to be piling up...
What should we do, Ageha-chan!?
He didn't even have a plan in the first place
Are you satisfied leaving things as is?
Hashida-kun, what do you think?
Please answer honestly.
Fu...
Not satisfied... Not really...

A-As long as I'm with Aya-chan...
Even hearing a simple "Iya" from her...
I'm content. Really.
But you see...
Don't you have fantasies of kissing and hugging her?
Are you an elementary school student!?
It's not that I don't fantasise about such things!!
Aya-chan...
Is always lively—

The beautiful silhouette of her eyes as she looks downwards
Her facial expressions changed suddenly When her eyelashes grew longer
うひゃぁぁ
It's really, REALLY cute!
At that moment!! I, I... AH!!
C-Courage?
You just need more courage
If that's the case, all you need is a little more progression

B-But, he's unreliable!!
So, he can't be my love interest
Moreover He's younger than me...
B-But
Aren't you still with him even though he's younger?
Oh yeah!
Hashida has an imbalanced diet!
He can't eat onions!!
He clings onto me just like a little child.
But, don't you often hang out together?
Because!! If I don't go out with him, won't he always stay in his room?
I can't leave him alone...

Isn't it because you like him?
That's why you can't leave him alone?
That's not true!!
I've never even thought about who I like!!
First of all, I'm cooler than that...
Speaking of which, Aya-chan likes a guy who is
slim, smart, adult-like, and some kind of prodigy
H-HEY!!
Just like Hashida-kun?
I try not to appear weak...
To act a little friendlier...
I don't know whether or not to hold his hand...
Wouldn't it be better if he's more forceful and does the leading?
Yeah
I guess

にゃぁ～
decrease
HEY!!
I didn't mean that!!
Courage
And so...
You have to have courage

Your relationship with Aya-chan might not go bad even if you take a step forward.
But!
The fact that Aya-chan is willing to go on a date with you,
means that she's not uninterested in you
So,
show your courage.
Have confidence in yourself!
That's true
Like Itou-senpai
Ah...
That's right ♡
Yeah
Yeah
He showed his courage...
and was able to be with Ageha-san...

Courage?

Hmm...
It wasn't that kind of mood.
There-fore,
I, myself don't know whether or not I like him...

It can't be helped.

Even your clothes Don't you only wear jerseys or T-shirts?
But, you see, you don't wear any make-up at all
Ah—
Even your swimsuit is the racing kind.

Don't you have some problems as well?

QC: Conclusion, Leet Ninja QC #2
Everything Else: ChronicD

Hey there. Welcome to chapter 28 of Toshiue no Hito. I hope you enjoy it. As you see, I'm using an easy to read font here. This is because I have a serious plea to anyone reading this.

I REALLY WANT TO CONTINUE WORKING ON NANA TO KAORU!!!!!!

I have people who are doing an amazing job cleaning the magazine raws for that series, and making them look fucking AWESOME. But, all that work is going to waste. The files are just sitting on my hard drive.

Because I have no translator.
Hiko has gotten himself a new job, and a new home, and a whole hell of a lot of stuff to take care of, so he can't translate this lovely series at the moment. So what I'm asking here is, if anyone who reads this knows a Japanese to English translator, please ask them if they'd be willing to take some time to TL a chapter or two of Nana to Kaoru? There's only two untranslated chapters out at the moment. It's a monthly series. I would hope that it isn't very difficult work. I can't read Japanese, so I have no idea.

If anyone can help with this problem, contact me on IRC in the channels #NCIS or #Freetime. Or at Mangahelpers.com.

I promise to find more sexy and/or funny pics to use for credits pages for subsequent chapters.

And here we have the last chapter of volume 5. One more volume to go!

A couple notes:
OB = Old Boy, essentially a term for a club member that has graduated.

NEET = Not currently Employed, in Education or Training. Basically means you're a bum. :)

I had thought about doing the sfx here, elicit does include them in his scripts, but I got lazy. I'm sure you can figure out what they're supposed to be anyway.
